Defendants.

CASE NO. 08 CV 5831

DECLARATION OF MICHAEL ABITBOL  
IN OPPOSITION TO MOTION OF  
DEFENDANT Hi5 NETWORKS, INC. TO  
DISMISS, OR, ALTERNATIVELY, TO  
TRANSFER VENUE

MICHAEL ABITBOL declares under the penalties of perjury as follows:

1. I am the Vice President for Legal & Business Affairs for EMI Music Publishing, located at 75 Ninth Avenue, 4th Floor, New York, New York. I make this Declaration upon personal knowledge and in opposition to the Motion to Dismiss, or Alternatively, to Transfer Venue, of Defendant Hi5 Networks, Inc. ("Hi5"). Among the music publishing companies that

are encompassed within the EMI Music Publishing group of companies are EMI Blackwood Music, Inc., EMI April Music, Inc., EMI Full Keel Music, Inc., EMI Virgin Music, Inc., EMI Robbins Catalog, Inc., EMI Waterford Music, Inc., EMI Grove Music Park, Inc., Colgems-EMI Music, Inc., and EMI Virgin Songs, Inc. (collectively, the "EMI Music Publishers"). I have personal knowledge regarding the business affairs of each of these companies.

2. The EMI Music Publishers are engaged in the business of acquiring, owning, publishing, administering, licensing, and otherwise exploiting copyrights in musical compositions. The EMI Music Publishers own or administer (in whole or in part) copyrights in and to thousands of musical compositions, including those compositions whose copyrights the defendants are alleged to have infringed in the instant action.

3. Each of the EMI Music Publishers maintains its principal place of business at 75 Ninth Avenue, 4<sup>th</sup> Floor, New York, NY 10011. Additionally, EMI Virgin Music, Inc. and EMI Robbins Catalog, Inc. are corporations duly organized and existing under the laws of the State of New York. None of the EMI Music Publishers maintains an office or employees in the Northern District of California.

4. Each of the corporate witnesses who would testify in this case on behalf of the EMI Music Publishers, including regarding the ownership and licensing of the musical compositions at issue and regarding the EMI Music Publishers' injury from the alleged infringement, resides in the New York metropolitan area.

5. All of the documents that establish the EMI Music Publishers' ownership and exploitation of their catalogs of musical compositions (including copyright registrations, publishing agreements, license agreements, and chain-of-title documents) are maintained at their headquarters in New York, New York.

6. The EMI Music Publishers regularly conduct investigations from its offices in New York to locate infringing uses of their musical compositions over the Internet. In or around late 2007 and early 2008, under my supervision, representatives of EMI Music Publishing conducted an investigation of Hi5's website from our offices in New York City. Based on that investigation, we learned that Hi5 and thousands of its users were committing copyright infringement on a massive scale through the unauthorized uploading, sharing, and viewing of thousands of files containing musical compositions that are owned or controlled by the EMI Music Publishers. During this investigation, representatives of EMI Music Publishing viewed (and documented their viewing of) infringing files on Hi5's website from our offices in New York. Attached hereto as Exhibit 1 is a true and correct copy of a spreadsheet (which also was attached as Exhibit C to Plaintiffs' Complaint) listing videos that at one time were available on Hi5 containing the EMI Music Publishers' musical compositions, as well as the specific Hi5 URL ("Uniform Resource Locator") location on which these videos were found on the Hi5 website. All of the videos listed on Exhibit 1 were viewed at our New York offices.

7. All of the documents pertaining to EMI Music Publishing's investigation of Hi5 (with the exception of those generated by or provided to counsel) are located in the offices of

EMI Music Publishing in New York, and all of the witnesses who participated in that investigation reside in the New York metropolitan area.

8. During the course of our investigation, representatives of EMI Music Publishing took screenshots of Hi5 webpages containing videos embodying musical compositions whose copyrights are owned or controlled by EMI Music Publishing. Attached hereto as Exhibit 2 is a true and correct copy of two exemplar screenshots taken by a representative of EMI Music Publishing reflecting the availability on Hi5 of videos containing the musical compositions "Drive" and "Stellar," as performed by the recording artist "Incubus."

9. I declare under the penalties of perjury that the foregoing is true and correct.

Executed on August 15, 2008  
New York, New York
